## ABERDEEN HIGH

## AT A GLANCE

FACILITY OPENED: 1952
Additions/Renovations: 2004
School Capacity: 1,360
Total Enrollment: 1,543
Number of Classrooms: 74
Number of Portables: 0
Average Class Size: 25.4
Computer/Student Ratio: 1:4
Volumes in Media Center: 12,698
Number of Parking Spaces: 359
Assistant Principals:
Valerie L. Cooper
Aaron H. Pretlow
Michael L. O’Brien
Instructional Facilitator:
Mary A. McComas
CLASSROOM TEACHERS: 81

## WELCOME

Aberdeen High School's philosophy of education recognizes and responds to our community of diverse learners with consideration to the demands of an increasingly complex and constantly changing technological society. The beliefs and daily operations of the school hinge upon the necessity of life-long learning in a spirit of cooperation among students, community, and academic leaders.

The Freshman Academy is led by a collaborative group of staff members whose goal is to increase the success of ninth graders as they enter high school. The School of Math, Science, and Technology recognizes and responds to our diverse students with consideration to the demands of an increasingly complex and constantly changing technology society. The School of Humanities, Performing and Visual Arts recognizes that our students possess their unique qualities of creative expression. Additionally, the Science and mathematics Academy magnet school is located in Aberdeen High School, and provides unique opportunities for students in terms of its program and its access to technology. Students are invited to join the Science and mathematics Academy based on an application process conducted during the winter of each year.

The school year is divided into two semesters of 18 weeks each. Credits are semesterized, giving the student the opportunity to earn 16 half-credits annually. Students take eight courses each semester within a rotating modified-block daily schedule. Classes are 45 or 90 minutes in length.

Thomas M. Szerensits
Principal
